

Dear Science Supervisors,

Save the date for this year's High School Summer Science Leadership Institute--July 10-14, 2006. Below is the information for the summer science leadership institute. Registration will open shortly, but this information should help you plan! Any questions - please call or e-mail.

***2006 Summer Science Leadership Institute
For High School Teachers and Supervisors
July 10-14, 2006
The University of North Carolina at Asheville
Asheville, NC***

Focus: This year the focus will be on increasing student achievement and building enrollment in higher level science courses. We will share materials for Biology, Chemistry, Earth/ Environmental Science, Physical Science, and Physics for both standard and honors courses. Assessment will also be addressed. School districts are encouraged to send a TEAM of teachers and a science supervisor representing the different high school courses with the expectation that these participants will provide updates for all science teachers in their district. Smaller school districts may wish to cooperate to send a *regional team*.

Setting: The Science Leadership Institute will be held at the University of North Carolina at Asheville in Asheville, NC. A map and directions are available at <http://www.unca.edu/welcome/directions.html> with general information about the campus found at <http://www.unca.edu> . Dress is informal and participants should come prepared to participate in science activities including some outdoor field activities. (Bring sunscreen, bug repellent, good walking shoes, etc). The indoor rooms can be chilly-- please bring a sweater or light jacket for air-conditioned rooms as layering is usually the best option.

Accommodations: We will be staying in the West Ridge Residence Hall at UNC-Asheville. These new comfortable rooms are arranged suite-style with two bedrooms sharing a bath. The rooms are air-conditioned with individual room controls. Computer facilities are available to check your e-mail. To view the residence hall, go to <http://www.unca.edu/housing/files/about-us/picture->

[gallery/west-ridge/index_west-ridge-pictures.htm](#) . Linens will be provided (sheets, two towels, washcloth, pillow, and blanket). Phones/fans/network cables are not provided. Handicapped rooms are available--please let us know in advance what your needs are. Meals will be provided by the dining services at UNC-A. For more info on the dining facilities, go to www.dineoncampus.com/unca

NO outside guests, including family members can be accommodated on campus. If your family will accompany you, please stay at a nearby hotel and register as a commuter. Family members may purchase food at the dining hall and join us for meals.

Cost: (includes materials, all meals and breaks except Tuesday dinner)

<i>Single dorm room</i>	<i>\$425</i>
<i>Double dorm room</i>	<i>\$400</i>
<i>Commuters</i>	<i>\$300</i>

Substitution: Substitutions of one participant for another will be accommodated when possible. If this involves a change in room arrangements the substitution must be checked with us in advance. This is especially important if you substitute a male for a female or vice versa. Please call Susan Hart at 919-807-3846.

Registration: Materials will be available soon - *please do **not** send money until the form is available.*
