

Sunset Tour and Dinner At Pilot Mountain

Wednesday 11/6/2024 5:00 PM to 8:30 PM

Join the Schools in Parks team for a science enrichment field trip to Pilot Mountain State Park. Transportation will be provided from the NCSTA conference, meeting at the lobby of the Winston- Salem Marriott downtown/convention center. Enjoy the sunset (6:26 PM) from the overlook atop Pilot Mountain. See the new Visitor Center featuring natural science exhibits. A catered dinner and talk with park rangers about the science of protecting the natural resources including monitoring migrating hawks and setting prescribed fires.

Meet partners from UNC-Institute for the Environment, the Office of Environmental Education, and North Carolina State Parks. Network with fellow science educators in a state park, after hours.

Maximum: 30 participants

Cost: \$18
